Season's Greetings from EducationUSA@USIEF, New Delhi!

We are excited to ring in the New Year with the 8th EducationUSA@USIEF Alumni Fair, 2015!

This is an opportunity for you to engage in conversations with alumni from several U.S. universities. To learn, share and experience what it's like to apply and study in the US.

The main objective of the fair is to provide opportunity to Indian students to interact with currently enrolled Indian students and alumni of U.S. institutions and get first-hand information on academic and social life in the U.S.
The unique feature of this fair would be student alumni representing their respective university in the U.S. rather than the admissions officials. Indian student alumni or currently enrolled Indian students on U.S. campuses will serve as U.S. university representatives at this fair.

The fairs are absolutely **free**.

Come and share the experience!
We look forward to welcoming you!
