## **EducationUSA India Tour 2019 (August 30 through September 12, 2019)**

EducationUSA India is pleased to announce its annual EducationUSA India Tour 2019. The comprehensive 14-day tour is a great platform for U.S. Higher Education Institutions (HEIs) to meet qualified Indian students throughout our network in India. With university fairs, visits to educational institutions and counsellor interaction, this event is sure to help you engage with the Indian student population in a structured manner.

Some exciting reasons to include EducationUSA India Tour in your recruitment calendar:

### **Top 10 reasons to participate in the tour**

- ✓ EducationUSA is the official source of information for international students who aspire to study in the U.S. EducationUSA India's student engagement numbers exceed 100,000 through our outreach annually.
- ✓ Opportunity to interact with a large and diverse group of students
- ✓ Fairs are scheduled when most of the students are in the process of researching multiple options and shortlisting 'right-fit' universities per their educational aspirations
- ✓ Ideal time to visit schools and colleges across India
- ✓ In addition to major metros, the Tour will cover three TIER II cities in the country that are emerging as important educational hubs and provide the opportunity to U.S. HEIs to connect with the students in these regions\*
- ✓ Opportunity to interact with school counselors through the networking events and school visits built into the program
- ✓ Unique chance to cover all the important regions of the country through one tour to get a better understanding of your target audience
- ✓ The entire 14-day tour includes a mix of overnight stays within each city and travel on alternate days between states as well as a day for rest and travel

Click on the following link to access the registration form along with the Tour Document that has a detailed itinerary, pricing, terms and conditions, as well as suggestions for domestic travel and stay.
