Get the AP advantage

- Subject to good scores and university rules, students can earn course credits well in advance in colleges in the US and 60 other countries
- Improve writing skills, sharpen problem-solving abilities, develop time management skills and better study habits
- Gain advanced knowledge about a field before formal study at a university
- Real college conditioning – sets a faster pace and higher standard
- AP tests train students in taking higher-level tests in a university setting
- Help improve scores for other standardized tests
- Help students decide what subjects to pursue in college
- Students who score a 3 or higher on an AP Exam typically earn higher GPAs in college than their non-AP student peers
