

Important Update: 2021 Advanced Placement (AP) Exams and SAT (March, May and June 2021) at USIEF Centers.

Dear Student,

We regret to inform you that USIEF will **not** administer the **2021 Advanced Placement Exams and SAT scheduled in March, May and June 2021**. The decision is based on the risk to students and USIEF staff due to the unpredictable COVID-19 pandemic situation on testing dates in 2021 and in the months leading up to it. In accordance with public health recommendations, all USIEF offices have paused in-person programming, including testing until conditions allow.

Please look up the College Board websites given below for alternative test center information
