

EducationUSA India Tour 2018

August 31 through September 15, 2018

EducationUSA India is excited to announce its annual EducationUSA India Tour 2018. The comprehensive 16-day tour is a great platform for U.S. Higher Education Institutions (HEIs) to meet qualified Indian students throughout our network in India. With university fairs, visits to educational institutions and counsellor interaction, this event is sure to help you engage with the Indian student population in a structured manner.

Some exciting reasons to include EducationUSA India Tour in your recruitment calendar:

- EducationUSA is the official source of information for international students who aspire to study in the U.S. EducationUSA India engages with more than 100,000 students through our outreach annually
- Opportunity to interact with a large and diverse group of students from across India.
- Fairs are scheduled when most of the students are in the process of researching multiple options and shortlisting 'right-fit' universities per their educational aspirations
- Ideal time to visit schools and colleges across India
- In addition to major metros, the Tour will cover three TIER II cities in the country that are emerging as important educational hubs and provide the opportunity to U.S. HEIs to connect with the students in these regions.
- Travel to and from Tier II cities and meet qualified students at no extra cost!
- Opportunity to interact with school counselors through the networking events and school visits built into the program
- The entire 16-day tour includes a mix of overnight stays within each city and travel on alternate days between states as well as two days for rest and travel
- Well-structured travel to help you make the most out of the trip
