

## EducationUSA U.S. University Virtual Fairs 2021

*Thinking about studying in the United States?*

*Don't know which institution to select or how much it will cost?*

*Not sure how COVID-19 will affect your college application, or how to apply for a student visa?*

Attend **one of the biggest U.S. University Virtual Fairs** in India – hosted by the **official source on U.S. higher education**. The fairs are dedicated to helping students like you discover the numerous educational opportunities available in the United States! Get virtually connected with representatives from more than **100 accredited and reputed** U.S. colleges and universities, explore different possibilities, and discover the right one for you!

*For students seeking master's or PhD programs in the United States:*

**U.S. University Graduate Virtual Fair**

Friday, August 27, 2021 | 5:30 - 10:30 PM IST

**Book your FREE seat here:** <https://bit.ly/EdUSAFair21WebUSIEF>

*For high school students seeking bachelor's programs in the United States:*

**U.S. University Undergraduate Virtual Fair**

Friday, September 3, 2021 | 5:30 - 10:30 PM IST

**Book your FREE seat here:** <https://bit.ly/UGEdUSAFair21WebUSIEF>

### Highlights of the fair:

- Chat (audio/video/text) with **U.S. university representatives** and get your questions answered on **programs, application processes, financial aid and scholarships** at these universities.
- Download the latest brochures and course descriptions of universities at your convenience during the fair.
- Interact with EducationUSA India advisers from U.S. Department of State's network of advising centers that provide **accurate, current and comprehensive information on the U.S. university application process**.
- **Meet with testing organizations** and discuss the latest updates on standardized tests.
- Watch 'on demand' video on **student visa process by the U.S. Embassy**.

### *About EducationUSA*

EducationUSA is the official source of information on U.S. higher education and a member of the U.S. Department of State's network of over 425 international student advising centers around the world. The network provides accurate, comprehensive, and current information about opportunities to study at accredited postsecondary institutions in the U.S. There are 8 EducationUSA centers in 7 cities India. United States-India Educational Foundation (USIEF) hosts five of these centers in **Chennai, Hyderabad, Kolkata, Mumbai and New Delhi**. Three other centers are hosted by the Indo American Education Society in **Ahmedabad**, Yashna Trust in **Bangalore** and Y-Axis Foundation (YAF) in **Hyderabad**.
