Plagiarism in any part of your application will result in your disqualification from participating in the Fulbright Visiting Scholar Program. Please select the appropriate response and *Save and Continue*.

STUDY PLAN:

For which degree objective are you applying? Select "Visiting Student Researcher" from the list.

What is your major field of study? Select one discipline from the drop-down menu that is closest to your study objective.

What is your specialization/ subfield of study? Select one field from the drop-down menu that is closest to your field of study.

Important note: The disciplines in the drop-down menu **may not** exactly match the list of eligible fields for the Fulbright-Nehru Doctoral Research Fellowships. You will be required to indicate your chosen field of study in the **FNDR Applicant Annexure**, which you will download from supplemental forms section, and upload in this online form on the page: Additional Information under Country-specific materials.

Briefly describe the area of the field in which you plan to specialize. Please provide a summary of your research work here.

Please describe your future plans: Describe the career you plan to pursue after completion of research in the U.S., e.g., teaching, government, business, industry or any plans you might have for continued study or research in your home country. Also indicate if you will be returning to former employment, or if you have been promised a position in India after completing your Fulbright grant.

Intended Grant Period:

Proposed length of stay in the U.S.: Please indicate the duration of fellowship between 6-9 months.

Proposed date of arrival in the U.S.: Please indicate the expected date of your arrival in U.S. university. Please check the academic calendar of the U.S. university for more information.

United States-India Educational Foundation

www.usief.org.in

Study/Research Objective: Upload a copy of a clear and detailed description of your study objectives and give reasons for wanting to pursue them. Your Fulbright-Nehru Doctoral Research fellowship should be part of your ongoing Ph.D. research in an Indian institution. Be specific about your major field and your specialized interests within this field. Describe the kind of program you expect to undertake and explain how your study plan fits in with your previous training and your future objectives. This statement is an essential part of your application and is required. Do not mention specific U.S. universities at which you would like to study. It is strongly recommended that you upload in PDF format.

Do not mention specific U.S. universities at which you would like to research. It is strongly recommended that you upload in PDF format. It is advisable for you to limit your response to **1-2 pages**.

Personal Statement: This personal statement should be a narrative statement describing how you have achieved your current goals. It should not be a mere listing of facts. It should include information about your education, practical experience, special interests, and career plans. Describe any significant factors that have influenced your educational or professional development. Comment on the number of years of practical experience already completed in the field in which academic work will be done in the U.S. Do not mention specific U.S. universities at which you would like to study.

It is strongly recommended that you upload in PDF format. It is advisable for you to limit your response to **1-2 pages**.

Writing Sample: Writing sample (not exceeding 20 pages) should be a copy of the original article or paper published/presented or extracts from the Master's/M.Phil. thesis in the online application form. It is strongly recommended that you upload in PDF format.

Letter of Invitation: Please upload a signed letter of invitation on institutional letterhead. In case you receive an invitation after submission of the application, please send it to ffsp@usief.org.in for inclusion in the application form.

University Preferences: It is mandatory for the applicants to provide this information.

Online instructions say, "It is not a requirement, nor is it expected for you to identify institutions at which you would like to study. However, if you do have preferences, please list in priority order up to four schools of your choice." However, Indian applicants must complete this item and also indicate ranking (order of preference).

You will be affiliated to one U.S. host institution for your grant. Mention three U.S. institutions with you would prefer to be affiliated in the order of preference. Do not just list the name of a university in which you are interested. Be specific. Provide the name of the department and the specific program within that department in which you are interested. If you have been in contact or correspondence with a faculty member, please provide the name and contact information for that individual. **Upload all letter(s) of invitation, indicating the duration of your visit, preferably with dates on the Page: Study Plan under**

United States-India Educational Foundation

www.usief.org.in

Letter of Invitation as one file. If you receive letter(s) of invitation after the application deadline, please forward to ffsp@usief.org.in

Authorization of Release of Information: Read carefully and type your name in the box.

RECOMMENDATIONS:

You must have three letters of reference submitted on your behalf. All letters of reference should be written by teachers under whom you have studied or pursued research or by someone who has supervised you in work related to your proposed field of study. Letters of reference should not be written by persons related to you either by blood or marriage or by personal friends. In your online application form, one of the recommendations must be from your Ph.D. supervisor. S/he must comment on your research work and the usefulness of the fellowship and indicate the Ph.D. registration date and topic. The letters should be written in English if possible. If they are not, an original English translation must be provided.

Click the “Add Recommender” button in the application form to register your referees. You will need to complete this form to allow your referee(s) to submit your references online. It is imperative that you accurately enter the information as your referee will receive an automated email informing him/her of the online reference process. Your referees will receive an email from Fulbright@iie.org directly, asking them to register for the website and complete their recommendations. You will receive an email notification after the referee submits the online recommendation letter. You must follow up with the referee if you do not receive the reference submission notification. References must be submitted no later than **July 15, 2024**.

Your referee will be able to submit the recommendation even before the submission of your online application.

SIGNATURE

Read carefully and type your full name in the box.

REVIEW

Before you submit your application electronically, your application will be reviewed for completeness. If there is missing data, you will be prompted to correct it.

Preview Application Proof: You can download the pdf copy of the application, review and keep a copy for your record.

IMPORTANT: REFER TO THE FNDR APPLICATION CHECKLIST BEFORE SUBMITTING YOUR ONLINE APPLICATION.

Note: On submission of your online application, you will receive the following automated response:

“Congratulations! You have successfully submitted your online application to the Fulbright Foreign Student Program. You may also receive a confirmation email from the Fulbright agency in your home country/country of application to verify that your application has been received...”

United States-India Educational Foundation (USIEF) - Fulbright Commission in India - will not send any additional confirmation e-mail to you.
