

Fulbright Information Sessions

Join us for an interactive webinar to learn more about the
2027-28 Fulbright-Nehru Fellowships for U.S. Citizens

These sessions are designed for prospective scholars and students
considering India as their destination for research,
study, or professional engagement.

Applications are now open for 100+ grants across the following categories:

- Fulbright-Nehru Student Research Fellowships
- Fulbright-Nehru Academic and Professional Excellence Fellowship
- Fulbright-Nehru Distinguished Scholar Fellowships
